Dear Ellen

Thank you for everything you have done on my behalf

this past year. I really am very grateful for the

opportunities. Sincerely, AVHi Paulette, I just wanted to communicate my interest in being a part of your team. I apologize for the delay I had to be sure that I could dedicate Mon thru Fri 9a -5p . I was able to talk to the scheduler -- my hours will start week end only for the new year . As for the time being I'll have to do one 3-11p and one 11-7a during the week. I wasn't sure how long training would be , and if for a short time that I may be able to work out a temporary schedule? I hope this can work out .I won't disappoint you. I'll give 110%. Therapists that are familiar with the company spoke very highly of both you and the company. Please contact me at your earliest convenience. Thank you so much for this opportunity.

Sincerely, TF Hi Ellen, I received the article you promised me today. It is just what I need. Thanks a million for it and all for all the help you have given me through the years with finding me help. Dear Ellen Thank you so much for all of your help. I enjoyed my time with you and feel very lucky to have found your web site. MO Middletown, NY skills training and job placement of our Occupational Therapy Assistant program graduates. Your lectures on resume writing and interviewing skills to our students during their fieldwork have greatly helped in their professional development. Your generosity with your time gave them an easier transition into the clinical world of Occupational Therapy as employees. Our students have reported to me that you have treated them with respect and have been able to get to know them and their desires in order to ensure successful job placements. I look forward to continuing our working

relationship. Very truly yours, Christine Sullivan, M.S., O.T.R. Dobbs Ferry, NY Testimonials to Consultants at GoodNews Personnel Dear Ellen, After Thanksgiving, I will be taking at least 3 months off of work entirely, and then we will see where we go from there. Thank you so much for all of your help and all of the work you have provided me with. It has been a great experience, and if circumstances allow, I wouldn't mind working again for you in the future! Thanks and God Bless! KRJ Spring Valley, NY Dear Ellen, Thank you so much for taking the time to speak with me today about employment opportunities. I appreciate your thoughtful insight and the suggestions you have regarding how to solve my job needs at this point in my career. I'm looking forward to having the chance to work with you again. I wanted to let you know that I worked alongside BC at the facility (she has since moved on), who encouraged me to contact you. She regards you as "the best!" Thanks again, DT White Plains, NY

with the services you have provided for my Physical Therapy Department. As you know, our department is extremely busy, and the fluctuating patient load and part-time nature of the staffing requirements makes it critical to have a qualified physical therapist available to fill in at a moment's notice. This is what you do so well, and we have been very satisfied with the therapists you have provided to us. The therapists are skilled, reliable, and benefit from your unique ability to fit the right person into our facility. Every facility, of course, has a unique "personality" and your willingness to listen, offer helpful advice, and find the right person for the job does so much to make my job easier. I am able to focus on my patients, and not have to worry about the competence of the person you have placed with us, who is able to go to work right away and be productive. Thank you again for being such an outstanding resource. Sincerely SP Pleasantville, NY Good news personnel offer many positions with qualities that therapists are looking for, a professional work environment and good people to work with. After three years of working with Paulette Kingsford, I have grown professionally and have developed a great working relationship with this company. Mrs. Kingsford's professional expertise always helped me to find the right environment and fulfill my expectations in my per-diem career.

Thanks,
DH Peekskill, NY

C A, PT Harriman, NY Dear Ellen, I just wanted to take this time to thank you for everything. I've really enjoyed working with you and truly appreciate the numerous efforts you've made on my behalf. I remember when you told me at the beginning that per diem work is great when you're busy but that it might not always be busy. Thanks to you, that was never the case. I've been fortunate to be working pretty much full time since July and I have you to thank for that. I have the utmost confidence in you and am grateful our paths crossed back in July. This per diem is perfect for me and I'm really loving it. My assignments within the group homes are getting underway - so far so good. I'll be sure to let you know of any changes that affect my availability. Again, thanks for everything. MJ New York, NY Dear Paulette Thank you for always being there for me. Hope all is well with you. TK Bronx, NY I have been working as a per diem physical -Therapist for Paulette Kingsford (Good News Personnel) since 2002.

I could always rely on Paulette to provide me with ample work, in various nursing homes that were both convenient and interesting to me. She was always able to provide me with tips about each location as well as proper directions.

I feel lucky to be connected to an agency that provide me with work and support.
